YOGA

L1 Designed for both new yogis and those who are limited in flexibility. L1 classes can include crow pose or tripod-headstand.

L2 Build on elevated poses linked with breath to maximize stamina and alignment. L2 classes can introduce king pigeon pose, headstands and arm balance poses.

L3 Highest degree of experience advised. L3 classes may include handstand or poses such as scorpion or firefly.

Yoga Basics

Basic, foundational yoga poses are taught in a safe, encouraging environment. Class emphasis is on alignment, breathing, strength, and full range of motion through standing postures, twists, forward folds, and hip openers. Perfect for those with limited flexibility or new to Yoga.

Hatha Yoga

The word "Hatha" is both the term for all physical practices of yoga and the yoga of opposing energies, Surya (sun) and Chandra (moon). Experience a class focusing on flowing from pose to pose, linking movement with breath, and with elevated options.

Ashtanga Yoga

A dynamic flow class that connects movement with breath, reflecting the six fundamental sequence series. Students experience each pose and transition at their own pace.

Vinyasa Yoga

Vinyasa (translates to "flowing with breath") is a dynamic style of Hatha yoga which joins postures, or asanas, with your body's breath, creating a steady internal rhythm. Vinyasa yoga cultivates heat in the body with sequences involving sun salutations, standing and seated postures.

Power Vinyasa

A classical sequence of breath-linked poses with postures for a warming yoga practice. Maximize range of motion, joint mobility, flexibility and endurance. This style of yoga is great for everyone, including athletes. L3 Power Vinyasa classes can include inversions and arm balancing.

Restorative | Yin Yoga

Embody a practice that is about opening your body through active or long passive stretching to harmonize the body's vital life force or chi. Restorative poses include gentle twists, seated forward folds, and more while using props such as blocks, blankets and bolsters.

MINDFULNESS

Meditation | RISE 🎧

Strengthen concentration and presence with Meditation Burpees and sound healing. Sharpen responsiveness through the art of awareness and become the high performance machine you were born to be. RISE to a compassion driven approach to fuller, brighter living designed by Jona Genova.

Meditation | REST 🎧

For those who is mind-ful enough, step into a signature meditation class created by Jona Genova designed to correct the energetic patterning of worry or pain that's keeping you up at night. Experience an intentional state of REST with the support of intuitively selected healing crystals. Leave with personal guidance to support you along your journey.
