

POOL POLICIES

All members and guests are required to follow the rules and policies in order to ensure the greatest comfort to everyone. If you are in violation of any Club rules or staff directives, we may kindly inform you.

THE POOL RULES

NO SMOKING.

We're a health club. Please, no smoking or vaping anywhere on Woodside property, including parking lots.

TOWELS ARE PROVIDED.

For your convenience, no outside towels allowed. Clean pool towels are available for members upon entry. We ask that you join our efforts in reducing the amount of energy, detergent and water used to launder towels, and only use what you need.

NO OUTSIDE FOOD OR BEVERAGES.

We have an extensive menu of made-to-order and ready-to-eat items. Outside food and drinks are strictly prohibited. Anyone found bringing in alcohol will be asked to leave the premises and your membership may be subject to termination.

APPROPRIATE ATTIRE MUST BE WORN AT ALL TIMES.

Management reserves the right to refuse entrance, or ask to vacate, anyone violating this policy.

DON'T BE "THAT GUY" OR "THAT GIRL."

As we strive to provide an enjoyable, relaxing environment for all our guests, we ask that you please behave yourself. Conduct that runs contrary to club policies, rules and regulations, or general good taste, may result in eviction from the premises.

POOLS WILL CLOSE FOR INCLEMENT WEATHER.

All pools must close whenever lightning is sighted or thunder is audible. All members must vacate the water and the pools must remain closed for 45 minutes after the most recent occurrence.

RESPECT THE NO GUEST POLICY.

We know you love to share the Club with your friends and families, however, usage will be restricted to members only at this time. Anyone found sneaking in guests will be asked to leave the premises and your membership may be subject to termination.

NO SAVSIES.

For the courtesy of other members, please do not save lounge chairs, bar seating or any other areas. All seating is first come, first served. Lounge chairs are not to be moved.

BE A GOOD NEIGHBOR.

Please be aware of those around you when applying spray sunscreen, talking on a cell phone and other activities that could put a damper on your neighbor's experience.

THERE ARE MORE RULES.

Not to be a buzzkill, but we have rules for the safety and comfort of our members. Woodside policies are subject to change at any time.
