YOGA BASICS

Basic, foundational yoga poses are taught in a safe, encouraging environment. Class emphasis is on alignment, breathing, strength, and full range of motion through a variety of both standing and seated postures. Perfect for those with limited flexibility or new to Yoga.

YIN | RESTORATIVE YOGA

Embody a practice that is about opening your body through active or long passive stretching to harmonize the body's vital life force or chi. Restorative poses include gentle twists, seated forward folds, and more while using props such as blocks, blankets and bolsters.

HATHA YOGA

The word "Hatha" is both the term for all physical practices of yoga and the yoga of opposing energies, Surya (sun) and Chandra (moon). Experience a class focusing on flowing from pose to pose, linking movement with breath.

KEMETIC YOGA

Contrary to popular belief, Archeologists believe the true origins of Yoga emerged over 10,000 years ago from one of the oldest civilizations: ancient Egypt. This practice emphasizes self-discovery, breathwork, and steady ancient Yogic postures derived from ancient Egyptian hieroglyphics.

VINYASA YOGA

"Vinyasa" translates to "flowing with breath" and is a dynamic style of Hatha yoga which joins postures, or asanas, with your body's breath, creating a naturally steady internal rhythm.

POWER VINYASA

A strong classical sequence of postures that are linked to breath. Maximize range of motion, joint mobility, flexibility, and endurance. This style of Yoga is great for all individuals, including athletes. L3 classes can include deep inversions and handstands.

ASHTANGA YOGA

Created by K. Pattabhi Jois during the 20th century, Ashtanga Yoga, or known as 'the eight limbs of yoga', connects movement with breath, reflecting the six fundamental sequence series. Students experience each pose and transition at their own pace. Note: Traditional Ashtanga classes are conducted without music.
