THE POOL RULES

01. No smoking.

We're a health club. Please, no smoking or vaping anywhere on Woodside property, including the parking lots.

02. Towels are provided.

For your convenience, no outside towels allowed. Clean pool towels are available for members. We ask that you join our efforts in reducing the amount of energy, detergent and water used to launder towels, and only use what you need.

03. No outside food or beverages.

We have an extensive menu of made-to-order and ready-to-eat items. Outside food and drinks are strictly prohibited. Any member found bringing in alcohol will be asked to leave the premises and your membership may be subject to termination.

04. Appropriate attire must be worn at all times.

No torn, ripped or soiled clothing. Modest swimwear encouraged. Management reserves the right to refuse entrance, or ask to vacate, any member violating this policy.

05. Don't be "that guy" or "that girl."

As we strive to provide an enjoyable, relaxing environment for all our members, we ask that you please behave yourself. Conduct that runs contrary to Club rules and regulations, policies or general good taste may result in eviction from the premises and your membership may be subject to termination.

06. Pools will close for inclement weather.

The Department of Health and Environment requires that all pools must close whenever lightning is sighted or thunder is audible. Pools must remain closed for 45 minutes after the most recent occurrence of either. Members are required to vacate the pools.

07. No saviors.

For the courtesy of other members, please do not save lounge chairs, bar seating or seats in any other areas. All seating is first come, first served. Lounge chairs are not to be moved.

08. Be a good neighbor.

Please be aware of those around you when applying aerosol spray sunscreen, talking on a cell phone and other activities that could put a damper on your neighbor's experience.

09. Respect the no guest policy.

We know you love to share the Club with your friends and families, however, usage will be restricted to members only at this time. Anyone found sneaking in guests will be asked to leave the premises and your membership may be subject to termination.

10. There are more rules.

Not to be a buzzkill, but we have rules for the safety and comfort of our members first and foremost. Woodside policies are subject to change at any time and without notice. Visit MyWoodside or the Woodside app for the full list of Club rules and regulations and policies.
