

THE SPA AT WOODSIDE

MASSAGE THERAPY

WOODSIDE SIGNATURE MASSAGE

90 MIN \$160

Our Signature full body massage experience combines sound therapy with a detoxifying sea clay back treatment accompanied with essential oil and heated towels on your hands and feet. End with a soothing scalp massage with rich botanicals.

CLASSIC SWEDISH MASSAGE

60 MIN \$90 | 90 MIN \$110 | 2 HR \$160

The classic relaxation massage. Light-medium pressure and long, gliding strokes are used to relieve stress and adapted to fit your specific needs.

DEEP TISSUE MASSAGE

30 MIN \$70 | 60 MIN \$105 | 90 MIN \$130 | 2 HR \$175

Slow, breath-coordinated massage is used to reach deep muscles and connective tissues to improve posture and relieve tension. Recommended for those who regularly receive massage and enjoy intense bodywork.

HOT STONE MASSAGE

60 MIN \$110 | 90 MIN \$140 | 2 HR \$190

Hot stones use thermotherapy to melt tension out of constricted muscle. The stones are applied in key placements along your spine and the direct heat decreases inflammation and enhances the massage experience.

CUPPING THERAPY MASSAGE

30 MIN \$65 | 60 MIN \$130

90 MIN \$160 | 2 HR \$190

Experience this invigorating and detoxifying massage, which utilizes advanced massage and cupping techniques to stimulate circulation and soften muscles while drawing out impurities and relieving tension. Perfect for the person looking for a therapeutic deep touch. When the cups are removed a "cupping mark" will usually remain. This slight discoloration will fade and disappear within a few days.

THERAGUN® ACTIVATION + RECOVERY

45 MIN | \$55

Optimize your Club experience with ACTIVATION and/or RECOVERY sports massage. Theragun® Percussive Therapy is a specialized deep-muscle treatment, allowing for a more personalized experience. Recommended to enhance flexibility, help prevent injuries and support your fitness and wellness. Book these services around your workouts, group fitness, yoga or tennis.

PRENATAL MASSAGE

60 MIN \$110 | 90 MIN \$130

Mother's prenatal massage eases physical discomfort and is part of a happy and healthy pregnancy. Using relaxing and safe techniques, massage therapists specially trained in therapeutic prenatal massage bring peace to expectant mothers beyond the first trimester and postpartum bodies.

HEAD, NECK + SHOULDER RELIEF

30 MIN \$60

This massage relieves headaches and reduces anxiety through stimulation of the nerves on your scalp. This style also helps elongate the neck and decompress tension in the shoulders.

MASSAGE ENHANCEMENTS

\$30 EACH

REFLEXOLOGY

Pressure points on the feet are targeted to re-balance and clear energy lines known as meridians, which go through the whole body and end in the feet.

DRY BRUSHING*

A soft bristle brush is used to gently exfoliate dead skin cells, bring blood and oxygen to the surface of the skin and help detoxify the body. Clients are given their dry brush to take home for continued use after their session.

FOOT + LEG TREATMENT*

An invigorating peppermint sugar scrub is applied to the lower legs and feet, then aromatic warm towels are wrapped to relieve sore tired feet. Finished with a rich and tingly body cream restoring softness to dry, callused feet.

CBD OIL

Add therapeutic grade CBD and Yoga Balm* to any treatment to deeply relax muscles while enhancing the anti-inflammatory and antioxidant benefits for the body.

HOT OIL SCALP TREATMENT*

Melt away stress and tension while enriching your scalp with a stimulating massage of peppermint oil and a luxurious blend of coconut, marula, and macadamia nut oils to nourish and protect your hair and scalp.

ENERGY THERAPY

REIKI

60 MIN \$110 | 90 MIN \$140

Japanese stress-reduction therapy that guides universal energy, or qi, with ritual hand movements and light touch on and over the client's body in a meditative atmosphere. High-vibrational energy and intention flows through the practitioner to support healthy chi, restore the energetic body and relax body, mind and spirit. This loving service helps you feel lighter, with more well-being and a stronger aura.

CRANIOSACRAL THERAPY

60 MIN \$120 | 90 MIN \$160

CST involves subtle, light touch – a series of holds that release the body of deep held stress. This type of energy therapy also optimizes the circulation through the craniosacral system which improves the function of all body systems. On a cellular level, our bodies remember past injuries and traumas to the body which can result in tension, pain, etc. CST helps to release these traumas that our bodies are still holding onto, via this very gentle yet profound technique. Service is performed with client in comfortable clothes.

FACIAL + SKIN CARE

All facials are performed using SkinCeuticals® - advanced skincare backed by science.
