CHILDCARE POLICIES

AVAILABILITY + RESERVATIONS

All parents using the Childcare facility must first add their children to their membership account prior to making a reservation. Members may pre-register using [this form](#).

Walker childcare bookings are limited to a maximum of 2 hours per day. Non-walker childcare bookings are limited to a maximum of 1 hour per day.

Reservations open 48 hours in advance and are available for children aged 6 weeks to 10 years of age. Reservations must be scheduled via the front desk by calling 913.831.0034.

WALK-INS

Walk-ins accepted based on current availability and availability must be confirmed with the South Club front desk, not the Childcare staff.

CHILDCARE CHECK-IN

All members should check-in with the front desk and then proceed to Childcare to sign in with the Childcare staff. All members should provide a cell phone number to the Childcare Staff upon signing into Childcare. Drop offs will not be allowed before the scheduled reservation time.

CAPACITY

Capacity will be limited to 1 non-walker and 7 walkers per reservation slot.

Our Childcare booking options define “walker” and “non-walker” for the safety of all children and staff. A child is a walker if they are walking 100% of the time on their own and can climb up and down from the playset without assistance. A child is a non-walker if they are not walking on their own 100% of the time, cannot get up and/or down from the playset without assistance, or require other special attention as determined by the Director of Member Staff. A child may be changed from a non-walker to a walker if they meet the above criteria for a walker.

NO SHOW FEE

Members who fail to attend a Childcare reservation that was reserved will be automatically member charged a \$10 no show fee on their Woodside account. Reservations may be cancelled up to 1 hour before the reservation.

CLEANLINESS AND SANITATION

- Children that display symptoms consistent with sickness will be turned away from the Childcare space at drop-off or their parents contacted for pick-up at the discretion of Childcare staff.
- The Childcare staff will disinfect used toys before placing back out for use by other children.

CHILDCARE PICK UP

The parent that picks up the child must be pre-registered to pick up the child via the Child Authorization Pick Up Form. No child will be allowed to stay in Childcare beyond the time of their confirmed reservation.
